

ELTHAM NT-200

DESCRIPTION

The Chair features a high-quality and soft-to-the touch padded Extra high back and seat, which makes working at the office or home a pleasure. This solid and wide heavy-duty chair is ideal for office workers, designers, control rooms and small business owners working greater than 40 hours per week. Otherwise, with multiple options available for each component, this heavy duty chair can be in service for any type of user up to 200kg.
